

Walk-in COVID-19 Testing Procedures at UHAS

The UHAS COVID-19 Testing center offers COVID-19 testing for members of the general public for immigration purposes. This service is also available to individuals who need test results to meet various in-country requirements.

1. Requirements and Documentation

- Persons in need of a test result will be required to turn up in person for sample collection.
- For immigration purposes, a photocopy of biodata page of a valid passport is required
- For other purposes, a photocopy of any valid National ID card, i.e. biodata page of a valid passport, Ghana Card, Voters ID card, or National Health Insurance ID, is required.
- **One recent passport photograph.**

2. Sample Collection

- Samples are collected either in the UHAS COVID-19 Testing Centre or the Laboratory of the Ho Teaching Hospital (HTH). Person requiring testing services, must turn up in person for sampling. No sample taken outside these areas are accepted.
- Contact Dr. Ayivor-Djanie on +233 (0) 24 454 5878 for all voluntary and immigration testing.
