

MEMORANDUM

To: His Lordship the Chief Justice
From: Justice Victor J. M. Dotse
Date: 24th January 2020
Cc: A ppau, Pwamang, Marful-Sau and Kotey JJSC
Subject: **Request for enhance panel of the Supreme Court to consider Ruling in suit No. JS/131/2019 intituled Ogyeedom Obranu Kwesi Atta VI v Ghana Telecommunications Limited and Lands Commission**

This is to respectfully inform you that I am the Presiding Judge in the suit listed above, *Suit No. J8/131/2019 intituled Ogyeedom Obranu Kwesi Atta VI v Ghana Telecommunications Co. Ltd. and Lands Commission.*

I also wish to further inform you that the panel had adjourned the suit for Ruling to Wednesday, the 22nd of January 2020. However, due to the Christmas holidays the panel was unable to hold judgment conference on time. As a result, we have had the Ruling adjourned to Wednesday, the 5th of February 2020. myjoyonline.com

However, during our deliberations at our judgment conference on Thursday, 23rd January 2020 it emerged that the main issue that calls for our determination is that of the proper scope of "*executable and non executable judgments*" and how these affect the principles for the grant of stay of execution.

Anticipating that, the resolution of this issue in the Ruling might necessitate a departure from the settled authorities of the court, we respectfully crave your indulgence to enhance the panel to seven (7) to enable us re-hear the matter to be in a better position to deal with the issue comprehensively.

Respectfully submitted.

Victor Jones M. Dotse JSC
